

Membership Application (2021 Individual Farmers)

The American Blueberry Growers Alliance (ABGA) is a national association representing blueberry growers in the United States—in fact the ONLY organization specifically representing the interests of U.S. based farmers. ABGA provides a unified voice for states across the country that produce blueberries, advocating on behalf of their interests and for the long-term health of the domestic blueberry industry.

With your support, we can champion policies that protect growers; ensure that consumer have access to fresh, American grown blueberries; and advocate for communities, which directly and indirectly benefit from domestic blueberry production.
